

Pennsylvania Region Assignments

Note: ACP members are assigned to a chapter/region based upon the zip code of the mailing address on file. Sometimes a member's work address is in one chapter/region while their home address is in another chapter/region, and their chapter assignment can change based on which address is used.

If you would like to be located in a chapter or region other than your current assignment, you can contact ACP Customer Service at 800-523-1546, ext. 2600 and ask for an override to your preferred chapter/region.
